SF-DR4-04

A high-precision data recorder with advanced accelerometers and environmental sensors for unmatched transport condition monitoring.

- Polycarbonate
- Piezoelectric Accelerometer: ± 100g
- Digital Capacitive Accelerometer: ± 40g
- Battery: 250 mAh
- Storage: 8GB

SF-DR4-03R

A high-precision recorder with advanced accelerometers and environmental sensors for superior transport monitoring.

- Aluminium 7075
- Piezoresistive Accelerometer: ± 100g
- Digital Capacitive Accelerometer: ± 40g
- Battery: 4000 mAh
- Storage: 16GB

SF-DR4-03E

A next-generation recorder equipped with high-sensitivity accelerometers and environmental sensors for ultimate transport analysis.

- Aluminium 7075
- Piezoelectric Accelerometer: ± 100g
- Digital Capacitive Accelerometer: ± 40g
- Battery: 4000 mAh
- Storage: 16GB
